

APPLICATION REQUIREMENTS FOR STUDENT PARTICIPANTS

The amount of the stipend is currently \$250 per month for 9 months (August 31 through April 30). All students are required to attend the one week “bridge” in Bozeman, generally held the week before Fall semester. All applicants must include the following items before their application will be considered for selection for the DOC program:

- Completed application form
- One letter of recommendation
 - One from a teacher, school administrator, past employer familiar with the student’s academic background or potential to complete a bachelor’s degree in engineering **or**
 - One from a tribal member who is familiar with the student’s interest and commitment to completing a bachelor’s degree in engineering and potential to serve Native American communities
- Copy of high school transcripts for incoming freshman or a Copy of all college transcripts if the student has already completed courses at a previous 2 or 4 year college.
- A one page essay describing the student’s interest in completing a bachelor’s degree in engineering and describing their career plans
- A copy of the student’s tribal enrollment or Certificate of Indian Blood

All application materials should be sent to:

Sheree Watson
College of Engineering
P.O. Box 173820
Montana State University – Bozeman
Bozeman, Montana 59717-3820

If you have any questions about the program or the application process, please call me at (406)994-6723 or send an e-mail inquiry to: swatson@coe.montana.edu.
