

You are cordially invited to attend the 2007 Bridge Program

- When:** August 20th – 24th
Kick off - Sunday (8/19) 5pm at Colombo's Pizza, 10th and College St.
- Where:** Roberts Hall 307 & EMPower Student Center Roberts Hall 313
- Who:** New American Indian freshmen and transfer students to the College of Engineering
- What:** The Bridge Program is sponsored by the Designing Our Community (DOC) program – a program to recruit, retain and graduate American Indian students in engineering, engineering technology and computer science.

The Bridge Program will provide you:

- Early entrance into Residence Halls
- Orientation and information specific to the College of Engineering
- Study skills strategies specific to engineering
- Introduction to campus resource programs and support personnel
- Chance to meet faculty and advisors from your major department
- Mentoring advice from upper division engineering students

By attending the Bridge Program you can earn:

- Cat Trackers – MSU schedule calendars for 2007-2008
- Memory jump drives
- Book scholarships
- Academic scholarships – depending on eligibility for Spring 2008
- A contact or mentor (upper division student)
- Information about tutoring and use of resources in the EMPower Student Center

***In order to qualify for these items you must attend the entire Bridge Program – excused only for the Fall orientation 8/22 – 24th.**

In addition, new DOC program participants must enroll in ENGR 200 for Fall 2007. (CRN 24587, 1 credit, P/F, Tuesdays 4:10-5.)

Please confirm your attendance by phone or email to Sheree Watson, 406-994-6723 or swatson@coe.montana.edu by 8/15.
