

**MONTANA STATE UNIVERSITY
COLLEGE OF ENGINEERING
EXCELLENCE IN OUTREACH AWARD**

The MSU College of Engineering is soliciting nominations for the College of Engineering Excellence in Outreach Award in recognition of outstanding service within or outside the University community. The award consists of a \$500 honorarium and is announced at the College's Annual Awards Ceremony luncheon held in May. Anyone may nominate an individual for this award; an individual may not nominate himself/herself.

Criteria:

All faculty are eligible for consideration. The nomination should be based on extraordinary performance of outreach or service. The scope of activities considered for this award is intentionally very broad and may be performed as part of the nominee's assigned duties or as additional responsibilities.

Examples of outreach/service activities include, but are not limited to, the following:

- Outreach/service activities that bring special recognition to Montana State University and/or the College of Engineering.
- Promotion of engineering to K-12 students and teachers.
- Development of increased partnerships and collaborations.

Nomination Requirements:

The required nomination packet should consist of the following materials:

- Nomination letter that includes a brief summary (limited to two pages) describing the accomplishments of the nominee relative to the criteria above.
- One letter of support from any appropriate source (limited to two pages).
- Current Vita (limited to five pages)

Note: If nominations exceed the page limit noted, the Chair will remove the nomination packet from consideration.

Deadline:

Nomination packets are to be submitted electronically to the Dean's Office (coedeansoffice@montana.edu) no later than **Friday, March 4, 2016**.

Selection Process:

The recipient will be selected by a committee appointed by the Dean.
