Type of Experience (circle one): Study Work Service

Where: _____

Dates: _____

Brief Description: _____

FAQ

- *Whom do I contact if I have questions?* Please check the web page (www.coe.montana.edu/international/index.html) to find your departmental IEC advisor.
- *What do you mean by supporting documentation?* Typically, you should ask the person who oversaw your study-abroad, work-abroad or service-abroad experience to write a letter confirming your participation. This should be on letterhead and include contact information.
- *Where do I submit my application?* Submit this application, your supporting documentation, your unofficial transcript and your two page report to the departmental office of your major.
- *When do I submit my application?* As soon as you have fulfilled all of the requirements, but at least one month prior to graduation.

Approvals:

Major Department's International Engineering Certificate Advisor and Date

COE Associate Dean Foreman and Date
